Lower Ottawa Valley Chapter - <http://www.lov-owa.ca>

## About the Association

The Ontario Woodlot Association (OWA) promotes the sustainable management of Ontario's privately owned forests by providing our members with guidance and advice and by representing their interests through a united provincial voice.

The Lower Ottawa Valley Chapter (LOVC) was created to serve woodlot owners in the lower Ottawa Valley and Ottawa region.

The Chapter is a group of volunteers who put on or promote local events that enable the local woodlot owners to get out and learn and share ideas and information about their woodlots. There is much more to the woodlot than just a bunch of trees. Our events are often hands-on, face-to-face and in the field.

All events led by the LOVC are open to the public.

### If you join, for \$45 you receive:

1. Four hardcopy Newsletters as well as 12 e-mail Newsletters per year on topics relevant to a woodlot owner.
2. Local events such as fieldtrips, conferences and workshops.
3. The opportunity to network with fellow woodlot owners and forestry professionals.
4. The support of the OWA, which actively promotes the best interest of the members with respect to legislation, taxation and regulation affecting the ownership & management of private forests.

The LOVC Board meets quarterly and we welcome your input. Please contact any of the names below with your suggestions.

Kemptville Winter Woodlot Conference

Every February the Eastern Ontario Model Forest, supported by the Ontario Ministry of Natural Resources puts on a one day Conference on Forestry related topics provided by experts in the field. The event is always well attended with an interesting variety of topics and speakers.

Location: North-Grenville Municipal Centre.

For more information please contact Wade Knight at the Eastern Ontario Model Forest at 613-258-6587 or e-mail [wknight@eomf.on.ca](mailto:wknight@eomf.on.ca).

April 15 & 16, 2016

Ontario Woodlot Association Conference and Annual General Meeting  
Ottawa, ON

Don't miss Ontario's premier event for private woodlot owners. This year's Provincial AGM and woodlot conference will be a two-day event with the topic and theme "Two Rivers, Two Valleys, Land of Pine, Maple and History".

For information see: [www.ont-woodlot-assoc.org](http://www.ont-woodlot-assoc.org) or contact the OWA office at 613-258-0110.

April 15, 2016

Lower Ottawa Valley Chapter Conference and Annual General Meeting

Our meeting will be held in conjunction with the Provincial Annual General Meeting. The meeting will consist of the business portion of the usual LOVC AGM only.

Date to be determined

LOVC Chainsaw Safety Course  
Kemptville ON

Open to the general public, this two hour course gives the chainsaw user an appreciation of the safety features and an awareness of the risks and dangers associated with a chainsaw and covers maintenance and sharpening. A certified instructor provides the course. Classes always fill up so you must register. See the LOVC website for course and registration details.

Date to be determined

Renfrew Outdoor Woodlot Conference

May 28, 2016

Spring Woodlot Tour Joint LOVC/Lanark Chapter Event

This outdoor event showcases select private woodlots around Renfrew County and explores various themes of interest to a broad variety of woodlot owners. There is usually lunch and free entertainment.

For up-to-date details monitor the LOVC website.

The OWA Lanark and District Chapter and LOVC have entered into a partnership to jointly organize two events each year, one in the spring and one in the fall. The spring event is led by LOVC and supported by the Lanark Chapter, while at the fall event it is vice versa. This is an excellent means to make new contacts and enjoy quality events. The spring event is typically a walk in a woodlot led by an expert forester, biologist or ecologist. Meet with the owner and have him/her share their experiences and passions with us.

For up-to-date information on the Spring Field Trip see the LOVC website, contact Dick Lalonde at 613-836-2559 or see the Lanark and District Chapter website at [www.lanarkowa.ca](http://www.lanarkowa.ca) and click on WHAT'S HAPPENING.

August 20, 2016  
10am - 5pm

Glengarry Wood Fair and Wood Auction

Glengarry Pioneer Museum  
Dunvegan

The Glengarry Wood Fair and Wood Auction will showcase all aspects of forestry and the crafting of wood products then and now. Discuss tree planting and woodlot management with forestry professionals, or watch demonstrations of all the wood arts from turner and carver to timber framer or the chainsaw carver. The wood fair is a joint venture between the Glengarry Pioneer Museum and the Stormont Dundas and Glengarry Certified Forest Owners Inc. and Boisés Est.

September 25, 2016  
1pm – 3 pm

Tree ID Scavenger Hunt

Beaver Pond parkinglot on Walden Drive in Kanata

Bring your friends and family out to the woods to celebrate National Forest Week! Drop in to learn how to identify the trees and plants that are part of your neighbourhood woodlands, or bring samples from your woodlot to try to stump the experts. No experience necessary, just a healthy sense of curiosity!

For more information, contact Nancy Young at [nancy.young@lov-owa.ca](mailto:nancy.young@lov-owa.ca) or visit the LOVC website for further details.

Date to be determined

LOVC Chainsaw Safety Course  
Kemptville ON

Open to the general public. This two hour course repeats the course held in Spring.

See the LOVC website for course and registration details.

Date to be determined

Fall Walk in the Woods

A Joint Lanark Chapter/LOVC event

Come with us for our fall walk in the woods. Each year when the fall colours are at their peak, we arrange a joint event with the Lanark Chapter at a woodlot in the region. Learn about good woodlot management practices and have fun socializing with other friends of the forest. The fall event is organized by the Lanark Chapter and supported by LOVC. The walk is typically led by an expert forester or biologist thus making it an excellent event dealing with an advanced topic on forestry. Bring your hiking boots, a hat and mitts just in case.

For up-to-date information on the walk, check the Lanark Chapter website at [www.eocfo.ca](http://www.eocfo.ca) and click on EVENTS or visit the LOVC website.

Date to be determined

Using the Chainsaw for Firewood Course  
Perth

This one day course provides hands-on experience in handling firewood. It covers topics such as tree selection, felling, trimming, bucking logs and splitting. Participants must have previously completed the Chainsaw Safety Course and be current members of the Ontario Woodlot Association.

See the LOVC website for course and registration details.

Date to be determined

Certified Chainsaw Operator Course  
Perth

This two day course does provide Professional Certification for those persons interested in working in the forestry sector. It is also valuable for those wishing to gain hands on experience in the woodlot. Participants must have previously completed the Chainsaw Safety Course and be current members of the Ontario Woodlot Association.

See the LOVC website for course and registration details.

Christmas Forest Seminar

North Grenville Municipal Centre

This informative event has become a tradition and much-anticipated gathering for those interested in a focused and circumspect investigation of topical forest-related issues, challenges and opportunities. It's also a great occasion to touch base with colleagues and friends, and meet new acquaintances, in a relaxed and festive atmosphere prior to the holiday season.
